

# Package ‘statnetWeb’

October 14, 2022

**Type** Package

**Title** A Graphical User Interface for Network Modeling with 'Statnet'

**Version** 0.5.6

**Date** 2020-08-03

**Description** A graphical user interface for network modeling with the 'statnet' software <<https://github.com/statnet>>.

**License** GPL-3

**Depends** R (>= 3.5), shiny (>= 1.3), ergm (>= 3.10.4), network, lattice, latticeExtra

**Imports** sna, RColorBrewer

**LazyData** true

**RoxygenNote** 7.1.1

**Encoding** UTF-8

**NeedsCompilation** no

**Author** Martina Morris [cre, aut],  
Emily Beylerian [aut],  
Kirk Li [ctb],  
Samuel Jenness [ctb]

**Maintainer** Martina Morris <[morrism@uw.edu](mailto:morrism@uw.edu)>

**Repository** CRAN

**Date/Publication** 2020-08-05 18:00:03 UTC

## R topics documented:

run_sw . . . . .	2
statnetWeb . . . . .	2

<b>Index</b>	<b>3</b>
--------------	----------

run\_sw

*Run statnetWeb*

---

**Description**

Runs the statnetWeb shiny application, a GUI for the statnet suite of network analysis packages.

**Usage**

```
run_sw()
```

**Examples**

```
## Not run:  
run_sw()  
  
## End(Not run)
```

---

statnetWeb*statnetWeb: A graphical user interface for network analysis.*

---

**Description**

The statnetWeb package makes it easy to run the graphical user interface for the statnet suite of network analysis packages.
